These daughters of Edellyn Royal Leader 8th and Edellyn Royal Leader 43d were sold in former Millgate sales and are now valuable brood cows in the herds of their owners.

I am very proud to be associated with four fine neighbors in making this auction sale of Scotch Shorthorn cattle. Although we all maintain herds of liberal size, no member of this group can hold an individual annual sale with ease, therefore a joint event containing productions from each herd seems to be the ideal plan. Most certainly the arrangement presents distinct advantages to buyers because all members of this group have agreed willingly to hold their top productions for this sale which will be held annually.

We have selected the date of Monday, October 8th, for the first Millgate Invitational Sale. The forty-five animals that are to be sold have been selected with utmost care. All are superior individuals, all are backed by exceptional bloodlines and all are to be sold with complete breeding guarantees regardless of the age at the time of sale.

Since our five farms can all be visited comfortably in one day, it is our hope that visitors will arrive on Sunday for a tour of the herds and an inspection of the sires and dams of the animals selling.

We are very proud of the cattle in this sale and we are certain they will be improvers wherever they go. Whether you come as a buyer or as an interested spectator, you will be very welcome at Millgate Farms on October 8th.

Sincerely yours,
GEORGE W. ROSSETTER.
Millgate Farms.

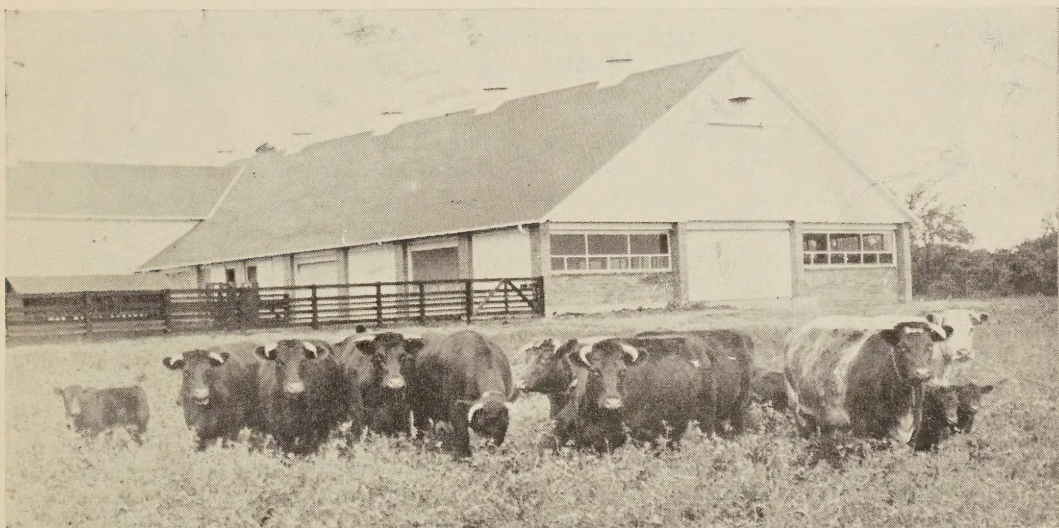

This is the announcement of a new sale. . . a sale that will bring together early in October of each year the choicest productions of the great herds located in the Chicago area. It is a sale designed for those careful buyers who recognize that the richest bloodlines of the breed are represented in these herds.

Because of the great sires in service, the grand cow herds and the annual production of breed improving calves, the area served by the Millgate Invitational Sale is frequently referred to as the "Aberdeenshire of America." To visit these herds is a treat every good breeder owes to himself. Since this sale is to be held on a Monday, I urge all visitors to come early for a Sunday tour of the herds. Such an inspection cannot fail to impress you with the improving value of the forty-five animals in this sale.

I am proud to be charged with the management of this important sale because I recognize in the five owners a group of men who are imbued with the single purpose of building a greater breed. Most certainly a study of the cattle to be offered will provide proof that they will accomplish this purpose.

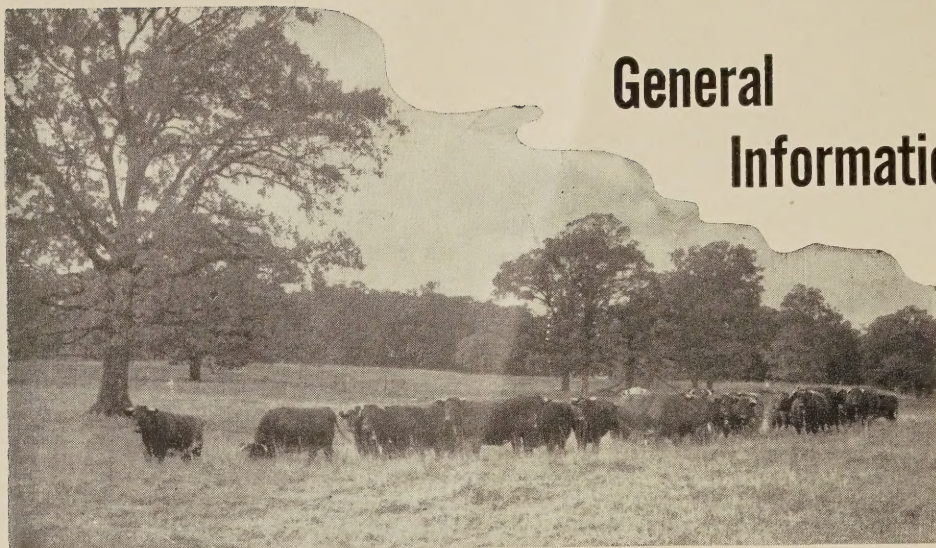

A sale committee comprised of Raymon Duer, Jim Thompson and the writer passed on all of the cattle that are listed. My two associates agree with me that it is a splendid offering of young cattle and that those who buy them will be improving their positions in the industry.

HAL LONGLEY
of The Shorthorn World.

Some of the richest blood in Scotland and North America is represented in these prolific matrons at Kickapoo Farms.

Millgate Illini is the best bull ever offered by Millgate Farms. His pedigree is perfect and he is the kind of an individual that fits such ancestry. Note that he represents a strong blend of the blood of Edellyn Royal Leader and Calrossie Mercury. His dam has been a top producer in the Millgate herd and this Golden Chain family has been responsible for many of the top productions at Edellyn Farms. Were it not for the fact that he is closely related to many females in the herd, this bull would not be offered. We have great confidence in him.

Kickapoo Princess Mary—From a family of consistent show winners. Her dam, Leveldale Princess 3d, was a winning member of the Mathers' show herd and was purchased in their 1948 sale for \$2,100. A sister of the dam, Leveldale Princess, was champion female at the 1947 American Royal. Her granddam, Maxwalton Princess 9th, was the winning yearling for Maxwalton Farms in 1942. She is bred to Imp. Corrimony Fort Augustus, the sire of five members of our present show herd. Pretested and vaccinated.

Cows like these produced the calves that are offered from Kickapoo Farms. Why not pay a visit to this farm.

Above is shown the second prize pair of calves in a class of 26 entries at the 1950 International. Both were sired by Imp. Cruggleton Johnston. They were bred and exhibited by Stanley G. Harris.

The remarkable uniformity of the calves by Imp. Cruggleton Johnston exhibited by Stanley G. Harris at the 1950 International, brought them highest acclaim. The pair shown above won second prize in the class for pair-of-females.
